Council also **recalls** its earlier pronouncements on the Boko Haram terrorist group, including press statements PSC/PR/BR(DXVIII) and PSC/PR/BR.2(DLX) adopted at its 518th meeting, held on 25 June 2015 and 560th meeting held on 26 November 2015, respectively;

Council also **notes with deep concern** the prevailing humanitarian situation in the region, particularly as the Boko Haram violence has displaced close to 2.2 million people, restricted movement, disrupted food supply and severely hindered access to basic services, and limiting agricultural activities. In this respect, Council **stresses** the urgent need to expeditiously handle the dire humanitarian situation in order to adequately cater for internally displaced persons and refugees;
4. **Welcomes, once again,** the tremendous progress made by the Member States of the Lake Chad Basin and Benin in the fight against the Boko Haram terrorist group, which has resulted in degrading the capacity of the group and **commends** their resolve and sustained efforts to fully operationalize the MNJTF, with a view to eliminate the terrorist group;
5. **Renews AU's solidarity** with the Governments and people of Nigeria and those of the other countries directly affected by the activities of the Boko Haram terrorist group and **calls** for stronger international cooperation and support to the efforts to prevent and combat terrorism, in line with the relevant Africa and international instruments;
6. **Further notes with gratitude** the support provided by international partners to the ongoing efforts of the MNJTF to eradicate Boko Haram. In this regard, Council **reiterates** its appreciation to the EU, United Kingdom, France and the United States of America for their unrelenting support. Council further **reiterates** its appeal to the partners to strengthen their support to the MNJTF and, in this respect, **welcomes** the efforts being deployed by the Commission, notably the planning for the Donor's Conference, scheduled for 1 February 2016,

in Addis Ababa, to mobilize additional resources, including finance, logistics, equipment, and other essential material for the MNJTF;

7. **Notes with concern** the continued threat posed by the Boko Haram terrorist group and **stresses** the imperative of sustained military operations by the MNJTF to completely eliminate this group. 8. **Request** the Commission, with the support of the LCBC Secretariat, to regularly update Council, in line with the reporting requirements contained in communiqué PSC/AHG/COM.2(CDLXXXIV) of 29 January 2015;

9. **Decides** to remain actively seized of the matter.
